"The DECADE of the SEVENTIES"

"Those who do not remember history  
are doomed to relive it"

For writing this narrative there was available 59 typed pages of chronicles, preserved as one of the duties of the Historian NMSSAR. Where additional information has become available prior to the date of the final draft, some of that has been included in this supplement and is to be found mostly in the Appendix.

On 12 July 1975, National Society SAR approved the charter application for Hobbs, N.M. chapter. That brought to four the number of chapters of NMSSAR. In recent times, however, chapters other than Albuquerque have been dormant and in the seventies, there have been occasional attempts to revitalize them. NMSSAR attained a membership of 164 for the year 1969 and since has remained at or near that plateau. As of 1979, the membership was slightly less at 157, down perhaps due to the near collapse of those chapters other than Albuquerque.

As a fitting conclusion to his many years as Registrar NMSSAR, Compatriot Robert G. Norfleet, II, arranged for the binding into book form then all available NMSSAR copies of application for membership. There are six volumes of 100 applications each. Prior to the end of his term of duty, Compatriot Norfleet had typed and processed to completion more than 250 applications, a truly monumental effort. Earlier, Compatriot Norfleet had been awarded the Patriot Medal for his meritorious SAR service.

Some of the activities of NMSSAR during the decade of the seventies have included, the exhibition at the annual New Mexico State Fair of articles of patriotic and historic interest. In recent years, the NMSSAR booth has been decorated with the assistance of members of Children of the American Revolution, Zebulon Pike Chapter.

For the prize-winning entries NMSSAR has presented the Horace R. McDowell award, and the Albuquerque Chapter SAR has awarded the Clinton M. Roth trophy. These presentations recognize two distinguished NMSSAR compatriots. Examples of some of the exhibits have included a flint-lock rifle and surveying instruments of the period of the American Revolution, documents, books, letters, early military equipment and insignia. Occasionally, participating in these exhibitions were members of the New Mexico Genealogical Society, which had been organized in 1961 by NMSSAR compatriots with some help from the Daughters of the American Revolution, Daughters of the American Colonists, and United Daughters of the Confederacy, and other New Mexico patriotic and hereditary societies.

NMSSAR has continued with the tradition of awarding medals to outstanding ROTC cadets of universities and high schools throughout the state. The Albuquerque Chapter has been responsible for the high school awards in that city while NMSSAR has presented medals to the universities and high schools in the remainder of the state. Silver ROTC medals were awarded annually to the students at the university level and bronze medals were awarded to high school cadets each year.

Another continuing joint project of NMSSAR and Albuquerque Chapter has been the participation of compatriots at naturalization ceremonies to provide a welcome to our new citizens and to present them with certificates.

Funds to send a boy to a state-wide conference known as BOY'S STATE, were provided by NMSSAR annually. This conference is intended to aid the participant in gaining actual experience in the field of government and civic affairs.

Most luncheon and dinner meetings were held at Kirtland Air Force Base Officers' Club (West) throughout the decade.

## THE DECADE OF THE SEVENTIES

1970

A historical review of the activities of the NMSSAR begins with the ending of the foregoing basic history as of 14 June 1969. The events and data recorded in this supplemental accounting covers the period of ten years which ends 14 June 1979.

The sixties were ushered out by Chapter and State society activities in the last one-half of 1969 with a Tri-State meeting in Denver on November 8, held at the Radiant Temple of the Eastern Star, on which occasion the distinguished guest was the President General James B. Gardner. President General Gardner was the principal speaker at the New Mexico Veteran's Day dinner meeting on November 10 in Santa Fe at La Posada Inn. Dr. Jan Pieter Voute, M.D., was awarded the Silver Good Citizenship medal for his unusual contributions to the field of Public Health.

Prior to the Veteran's Day dinner, the Albuquerque Chapter had a meeting at the Alvarado Hotel for awarding the State Fair trophies. The Horace R. McDowell Minuteman Award was presented by Archie McDowell, the donor's brother, to Ben Lomond Roberts, for his entry in the SAR Historic and Patriotic booth at the Fair, of a Kentucky flintlock long rifle and powder horn. The Clinton M. Roth Memorial Award was made at this same meeting by Edith Roth, wife of the donor, to George W. Lambert, Spanish-American War veteran who was present at the dinner in full Spanish-American War uniform. Mr. Lambert was 92 years of age.

Washington's Birthday dinner was held 21 February 1970. The guest speaker was Lt. Gen. H. C. Donnelly, General Manager of the Atomic

Energy Commission. He spoke on the subject, "What to Expect of the Seventies".

Col. Edward T. Johnson was elected President of the State Society in June of 1969, but was claimed by death soon thereafter. At the Flag Day dinner on 13 June 1970, a certificate of appreciation was given to his widow, Margaret R. Johnson, by State President Charles C. Campbell. President Johnson's passing was commemorated by the observation of a period of silence.

On 6 August 1970, President General Walter Martin and Mrs. Martin were given a reception at the dinner meeting held at Diamond Jim's in Albuquerque. Many DAR guests were present and the President General presented a Good Citizenship Gold Medal to Norris Bradbury, Director of Los Alamos National Laboratory to honor his retirement.

A Fall meeting of the Rocky Mountain District was held in the afternoon on November 7, and a workshop conducted by Vice President General James M. Caller, II. This workshop was attended by Dr. Hosea B. Willard, Trustee from Arizona, New Mexico's Trustee, Robert G. Luckey, and by other representatives of Colorado, Arizona and New Mexico. A general discussion was had on ways to improve the societies of these states and other matters of general interest to those present. At the dinner meeting that evening, the Patriot's Medal was presented to Compatriot Joseph J. Mullens.

Just prior to the conclusion of the dinner meeting was the formation of the Rocky Mountain District Council. Members of this Council were to consist of the Vice President General of the Rocky Mountain District, the National Trustees of the three states and the State Presidents. The Council was to hold two meetings a year -- one in the Spring and later in the Fall. One meeting was to be in the state of the Vice President General and the other to be selected at the Fall meeting. Meeting dates were to be set by the Vice President General.

1972

At a meeting of the Board of Managers held at the home of President Watson Ambruster, Robert Luckey and Dr. W. V. Owen were authorized to proceed with compiling an interim or supplemental history of the State Society. The purpose was to preserve the history of the period from 14 June 1960, which date concluded the basic published volume of history and was to become the basis for the second volume. Discussion was also had concerning the establishment of a chapter at Tucumcari, but the minutes do not give the results of the discussion.

Washington's Birthday dinner was held at KAFB on 25 February 1972. It was a joint meeting of the Reserve Officers Association. The 60th Anniversary of the State of New Mexico and the National Defense Week were observed by President Watson Ambruster. It was decided by the Board that The Awards Committee would act independently of the Committee on the Patriot's Medal. Roth Award was presented to Alma Fricke for a collection of colonial artifacts.

It will be remembered that, in connection with the Bicentennial Committee of NMSSAR, Compatriot Joseph Mullins had labored long and diligently on a bill (N.M. State Senate Bill #235) to create in New Mexico a State Bicentennial Committee. The bill passed and was signed into law by the Governor of New Mexico on April 2, 1969! The Governor then named Compatriot Mullins to the chairmanship of that new, special committee.

Both the Chapter and State Societies had discussed at general meetings the part the Society should play in celebrating the Bicentennial. Robert G. Luckey, Trustee and Chairman of the Bicentennial Committee, had announced the display of patriotic and historic items for public viewing. Compatriot Luckey at a joint Chapter-State meeting on June 7, called attention to the excellent displays in the Winrock shopping center. The stores participating in the Bicentennial were: Strombergs, who had a SAR display; Wards, who exhibited Lew Wallace DAR exhibit; and Foggs Jewelers, who put on view the items from Charles Dibrell, DAR.

During that June 7 meeting, Mrs. John Kruger talked on the history of certain flags used in the development of our 50 star flag and displayed them in her discussion.

The Business meeting approved amendments to the Constitution providing:

1. President may succeed himself and serve two terms.

3. Eliminating the rotating Board Members, after each of their terms was over.
4. Chapters were to have a member on the Board.

Compatriot H. Park Shaw was appointed CAR Senior President.

The James G. Marsh Award, which had been previously considered an award for a Zebulon Pike member, was enlarged to state-wide coverage. Thus, an outstanding CAR anywhere in New Mexico is eligible for consideration.

Note: During the observance of the 1776-1976 Bicentennial, tape cassettes and the associated

reader's guides were provided for the Albuquerque Public Schools as a joint project of NMSSAR, Albuquerque Chapter SAR, and the Military Order of World Wars!

1977

President General Sellers in his meeting with the Trustees in the Fall of 1976, had advised that the Chevy Chase Building in Maryland was not suitable for purchase of the National Headquarters. The Building in Washington used as National Headquarters, was then up for sale. 1978

President General Wilson K. Barnes visited the New Mexico Society on February 17. He was met at the Airport where members lunched. They later met for discussions at the home of President Hagood, concerning our Society and its growth. Judge Barnes had prepared a paper on recruiting new members and establishing new chapters. A copy of this outline procedure was given to the NMSSAR for use.

The dinner meeting was well attended and Judge Barnes spoke on the "Effects of Judicial Decisions on the Constitution and the Rights of the American People".

President General Chunn discussed at length with members of the Society at a luncheon meeting, the decision to acquire a building in Louisville, Kentucky for the National Headquarters. The location of the building is 1000 South 4th Street and was formerly a Masonic Temple by the Grand Masonic Lodge. It is of white limestone, built in 1953, two stories and a basement; 20,000 square feet of floor space is available. President General Chunn recommended the final acquisition by the trustees.

The Society gave President General Chunn an item of Indian-made jewelry. A book with officers' autographs went to Vice-President General McGrew. Complimentary dinners went to all attendant medal winners and guest speakers.

A New Mexico State flag, for permanent display here, was sent to National Headquarters.

"A pleasant, happy, comfortable year, an era of good feeling among its members", is the way President William O. Bramlett characterizes the 1978-1979 administrative year of the Society in his report at year's end.

The Hobbs Chapter in an early January 16th meeting wholeheartedly approved the candidacy of Compatriot Luckey for President General.

In the Congress at Louisville (May 27-31, 1978), James G. McGrew of Colorado had been elected Vice President General for the Rocky Mountain District and he, with his wife Jan, attended the February 23 dinner meeting at KAFB Officers' Club, West. Vice President General McGrew was the dinner speaker.

Compatriot Jack C. Redman, and his fellow Albuquerque physician, John A. Bennett, donned scuba gear and stepped off the stern of a dive boat near Bermuda on April 5, to an incredible meeting 30 feet below the surface of the sea! This meeting was a reunion at the wreck of the English ship "Sea Venture" upon which their respective tenth great-grandfathers had been shipwrecked in 1609! Also on that ill-fated ship was a future governor of Virginia, George Yeardley, later knighted. (For details, please see page 17 of the SAR magazine, Fall issue, 1979).

The Society through Vice-President Dufft and Chancellor Mullins, presented SAR Certificates of Citizenship to citizens inducted through the Albuquerque U. S. Bureau of Naturalization during the year. At the Washington Birthday dinner, the SAR medal of appreciation for the year went to Mrs. David (Nancy) Bruyere, Senior President Zebulon Montgomery Pike Society, Children of the American Revolution. The medal marked her coordination of the CAR members' work on the New Mexico State Fair SAR Historical Exhibit.

Bicentennial "birthday covers" went to Cathy Meikle and Gretchen Peterson of Del Norte High School, along with SAR certificates of appreciation for their assistance in the Flag Day celebration on June 14. The girls delivered orations at this meeting. Their speeches had won the highest honors in previous state-wide secondary school oratorical meets.

On April 21, 1979, the Board of Managers had officially approved the candidacy of Compatriot Robert G. Luckey for the office of the President General, 1979-1980 term, his election subject to the 89th NMSSAR Congress scheduled to meet at San Diego, California in June 1979.

Declaring their support for Luckey, the delegates to the Congress from New Mexico were J. R. Calhoun, G. F. Dickins, C. W. Hagood, H. C. Wright, and W. O. Bramlett. Led by Hagood, the group coined such slogans as "Lucky is the day Luckey leads the way", and "With malice toward none, the term should be one (year)". They made many personal appeals for voter support.

The opposition proved too strong. Dr. Calvin E. Chunn, of California, the incumbent opponent, was re-elected to a second term.

The Naval Weapons Evaluation Facility of Albuquerque donated a memorial gift of \$56.85 to the Society honoring their co-worker Compatriot Hampton Wise Richardson, who died December 6, 1978. Signing the letter of transmittal was Commanding Officer of the facility, Capt. J. J. Lahr, USN. The donation went into the Memorial and Awards fund, and the donors were advised of its use.

Many wives gave freely of their time and effort during the year assisting their husbands in carrying on the work of the Society. Especially helpful were Mrs. James (Connie) Calhoun, who assisted the treasurer at dinners; Mrs. William E. (Jan) Blackwell, who lettered name tags, place cards and certificates; and Mrs. William O. (Florence) Bramlett, who kept coffee perking and the cookie plate filled during board meetings.

Thus ends the Saga of the Seventies, NMSSAR, on June 14, 1979, when President William O. Bramlett and associated officers completed their terms of office.

"I know of no safe depository of the ultimate powers of the society but the people themselves."
